Dear Harold,

Thank you for your letter of July 14, 1974. The only law firm I know in L.A. is very big and very expensive. I don't think they would take a matter on contingency, but I may be wrong. The name of the firm is Mitchell, Silberber and Knapp. The partner I have worked with in the past is Billy Hunt.

I would like to know more on the volume of TOP SECRET DOCUMENT.

The Agee book will probaby go to a big publisher. Your instincts on that are correct. It is commercial.

Are you going to reissue FRAME UP together with your new material? Is there going to be a new trial in this matter.

Best regards.

Cordially yours,

Richard Gallen
